ABOUT ATEEZ

ATEEZ, short for 'A TEEnager Z', is an eight-member South Korean group that has taken the world by storm immediately after their debut in October 2018. Known for standout performances that combine runway aesthetics with darker tones lined by hip-hop and electronic trap mixes, the octet have turned storytelling into a full musical experience. The eight members of ATEEZ are HONGJOONG, SEONGHWA, YUNHO, YEOSANG, SAN, MINGI, WOYOUNG, and JONGHO. Their group name stood for "everything teenagers need from A to Z", and has since evolved alongside their fans (named ATINY) to become 'everything you need from A to Z'. Establishing themselves as top artists early on in their career with a sold out global tour only four months after their debut, they continue to break their own records. In a unique narrative that starts from the very first release in the 'TREASURE' album series and continues through the 'FEVER' and 'THE WORLD' masterpieces, the group combines bestseller narratives with personalized music that speaks to their generation. The pirates of the high K-pop seas ATEEZ have made their mark as a million seller group, charting on the Billboard 200 with multiple releases and setting a new milestone with their latest release topping the chart at No.1.
