My Chemical Romance's *The Black Parade*

Following the success of their independently released debut album and major label breakout sophomore album that has been certified 3x Platinum, My Chemical Romance skyrocketed into the mainstream with their 2006 album *The Black Parade*, which peaked at No. 1 on the *Billboard* U.S. Top Rock Albums and U.S. Top Tastemaker Albums charts. Its leading single,

“Welcome To The Black Parade,” has been certified 5x Platinum, while the album itself has earned 4x Platinum status.
